IN DEDICATION - MR. WILLIAM HOYT

"If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music which he hears, however measured or far away."

Thoreau

"Thank you for being a friend,
but most of all,
thank you for being you."

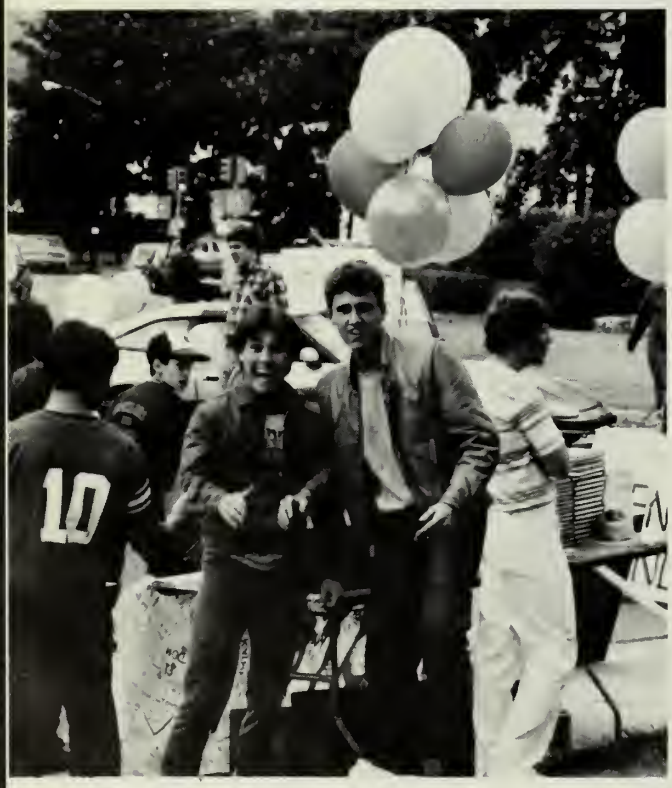
The Class of '85'

GRAFFITI '85'

Graffiti is not a word that has an exact meaning, but is a word that changes in meaning. In one sense graffiti is a visual means of expression using a social, political or nostalgic theme. In another sense it is a continually evolving historical movement which records the events and temperment of the times. This art form dates back to the cavemen, who etched their visions of the past and future on the walls of their homes. Throughout the ages it has also been used by many people and political movements, conservative and liberal, to rally support for their cause. When people write on walls, desks or books they are taking part in a time honored tradition, which in recent times, has been condemned by the authorities as vandalism. Graffiti however is not the vandalizing of property, but the beautifying and personalizing of a place where one spends a great deal of time, such as one's neighborhood or school. As an individual writes on the walls and desks he is expressing to everyone his hopes and ideas. Therefore Graffiti is a fitting theme for this yearbook which will stand as a permanent record of the dreams and aspirations of the Class of 1985.

FALL

As the leaves were turning and days grew shorter, the class of '85' reentered Stoneham High to collect poignant memories of their last fall. The crisp autumn air kindled warm feelings amongst the seniors as they became united against the rising tide of change. A new administration brought in its own rules and regulations for seniors to 'break' in. This was the setting as each senior set out to etch his/her own piece of graffiti into the walls of Stoneham High School.



The class of '85' far outshown their past reputation for enthusiasm as they poured heart and soul into senior activities. There was a growing sense of excitement as seniors participated actively in Townday and apple picking. Class spirit in the early school year was at an all time high during such school events as Fallcoming and the Senior Class Dance.

The fall of 1984 ushered in new traditions for the town of Stoneham as well as for the Class of '85'. In an effort to promote town spirit, Stonehamites pulled out all the stops to present the First Annual Stoneham Town Day. Many senior organizations were active supporters of the project. The enthusiasm of the Class of '85' was represented by such Booths as Class Officers, The Senior Class Play "Dracula", and 'Graffiti', the 1985 Yearbook. The day was a smashing success that will be long remembered by both the Town of Stoneham and the Class of '85'.

Apple picking has long been an established senior tradition. The Class of '85' fulfilled it eagerly as car loads of seniors headed out one bright fall morning to Derry, New Hampshire for what promised to be an exciting day. They were not let down as the days events included everything from a minor car accident to a police escort from the orchid. The senior class took it all in stride, however, and made the most of a beautiful day in the country.

On October 12th, the class of '85' went Roman at the senior "Toga Bash". Old sheets became new fashions as seniors let their own style shine through the Roman tradition. There was a charged feeling in the air that was heightened by the sound of favorite tunes cranked out by D.J. Ron Zampell.

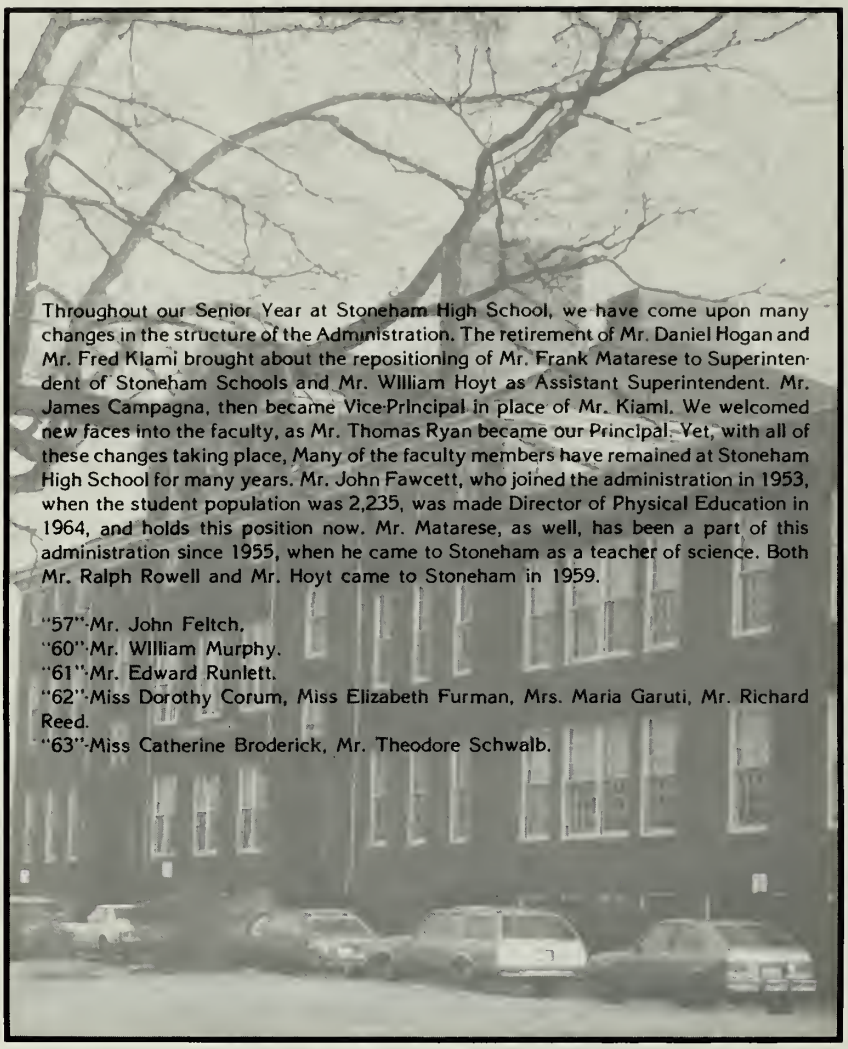
FACULTY

THE HISTORY OF 1953



Throughout our Senior Year at Stoneham High School, we have come upon many changes in the structure of the Administration. The retirement of Mr. Daniel Hogan and Mr. Fred Klami brought about the repositioning of Mr. Frank Matarese to Superintendent of Stoneham Schools and Mr. William Hoyt as Assistant Superintendent. Mr. James Campagna, then became Vice-Principal in place of Mr. Kiaml. We welcomed new faces into the faculty, as Mr. Thomas Ryan became our Principal. Yet, with all of these changes taking place, Many of the faculty members have remained at Stoneham High School for many years. Mr. John Fawcett, who joined the administration in 1953, when the student population was 2,235, was made Director of Physical Education in 1964, and holds this position now. Mr. Matarese, as well, has been a part of this administration since 1955, when he came to Stoneham as a teacher of science. Both Mr. Ralph Rowell and Mr. Hoyt came to Stoneham in 1959.

Presiding over the solemn occasion were the officers of the organization, who, each in turn, gave a speech for the induction criterea. Each new member received a pin and a light for their candle symbolic of the torch of knowledge and hope being passed on to a new generation.

TIME TUNNEL

1985 Stoneham High Carnival Ball

The Royal Court

Mistress of Cerimony: Katherine Connery

Our theme for the 1985 Carnival Ball was The Time Tunnel, an expressway of expectation into the familiar and the yet-to-be familiar. We stopped along the way at historic moments in music, customs, and fashion. Three special decades, noted for their contributions to American Society, were our major stops in The Time Tunnel. The Roaring Twenties . . . The Fabulous Fifties . . . The Scintillating Sixties! A brief glimpse into the time beyond the Eighties completed our fanciful chronology. In between, reminders of our contemporary lifestyle gave perspective to our Time Tunnel excursion.

Master of Cerimony: Charles Rizzo

Presiding over the festivities were His Majesty, Marcus Nickerson, King of Carnival Ball, and Her Highness, Susan VanLoon, Queen of Carnival Ball.

The Escorts for the Royal Court were Ushers John A. Sannella III, Timothy G. Flanagan, Stephen T. Armato, Michael J. St. Amand, Richard A. Palumbo, Paul K. Baker, Christopher Mulligan, Joseph A. Saccocio, and William A. Kullman.

The Attendants to the Queen were (front row) Nicole Caroli, Susan A. Rose, The Royal Couple, Susan F. Rando, and Gail Ann Sylvester. (back row) Christine M. Marcotte, Karen M. Damelio, Amy Adams, Paula L. Dillon, Christine M. Bracciotti, and Natalie Greenwood.

The Royal Court waltzed as The Spartan Chorale performed "Time In A Bottle".

The Coronation Ceremony was a crowning moment for the King and Queen as they participated in a long standing tradition.

Betsy Granese proved that music will always be timeless with Scott Joplin's "Ragtime".

The Jazz Ensemble, under the direction of Stephen Baberadt performed "Swing Time" and "Mark's Time".

Rodger Landers swings to the beat as he performs his Sax solo.

The trumpet section lived up to the performances of such legendary figures as Louis Armstrong and Miles Davis.

The Dance Club had everyone tappin' there feet to the beat of "Hooked on Dixie".

Their Rockette-like finale brought thunderous applause from the audience.

"The Roaring Twenties"

"What's the password?"

"Don't leave the White House without it!"

"Do the Charleston!"

"Give it to him Ruth!"

"I'm definately in trouble."

"This is a Lysol . . ."

"Wrong! . . ."

"This is a RAID!"

Judy Bain performed "Left In The Dark".

"You've got a date?!"

Remembering "The Way We Were".

"One, Two, Three O'Clock, four O'Clock A'Rock!"

". . . . . Ayyy"

The Spartan Chorale highlighted the evening's performance with "Time In A Bottle", "The Way We Were", and "The Best Of Times"

Kelly Cronin, accompanied by David Powers, stirred us with "I Honestly Love You".

AnnaMaria Ciamarra graced us with Princess Aurora's Rose Adagio.

"Left, Left, Left Right Left."

"Woah, Skippy has more what?"

"Daisy, where have all the flowers gone?"

DETOUR's electrifying rendition of "Sometimes A Fantasy".

John Doherty performed an original composition "I Know You're Leaving Me" with a little help from members of DETOUR.

Betty Capozi continued the soft fantasy of time travel with "Dreaming of You"

"Come on, let's PARTY!"

"You have now entered The Twilight Zone".

Julie Stillinger performs "Almost Over You".

"We should just Nuke them."

Tim Cloutier in Breakdancing solo.

"That's All Folk's . . ."

The Dance Club closed the show with "The Future Of Friends".

". . . from the show that carried them away!"

MUSIC FOR ALL TASTES . . . THE CONCERT JAZZ BANDS

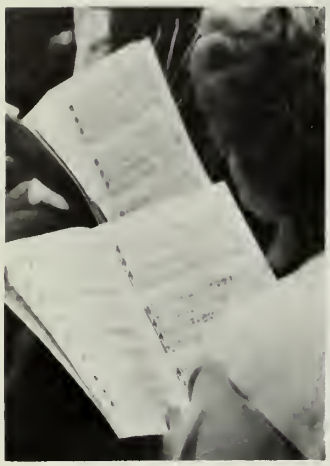
The Concert and Jazz Bands have always provided a wide variety of excellent music at S.H.S. Always seeking the innovative and unusual, this year's Christmas Concert was interrupted by an invasion of Santa's elves, who kidnapped Jazz Band members and took over their instruments. An act of protest against poor working conditions, the elves are still holding the Band Director, Mr. Stephen Baberadt, hostage until their demands are met.

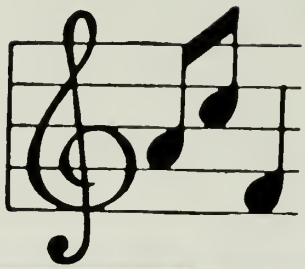
THE MARCHING BAND: STEPPING OUT IN STYLE

Under the direction of its new conductor, Mr. Steven Baberadt, the Marching Band entered the 1985 season with a new look and sound to capture the attention of the half-time audience.

THE 1985 MARCHING BAND

The Spartan Chorale





Spartan Chorale

The Chorale is one or the few organizations at SHS that brings together a variety of people for one purpose- the pursuit of musicianship and creativity. Under the direction of Mr. Frank Abrahams, the Chorale has succeeded in bringing the music of Hayden, Gabrielli, Bach, and Piakham to the otherwise uncultured society of SHS. The Chorale has traveled to Montreal, Philadelphia, New York, and New Orleans where they sang at the 1984 Worlds Fair.

VOLLEYBALL

Team: A. Jackson, H. Anderson, N. Cargill, M. Henriksen, G. Hickey, L. LaRosa, L. Venezia, B. Wells, K. Carr, R. Fabiano

This was supposed to be the "rebuilding" year for the Spartans, but a youthful team proved otherwise as it reached the State Finals for the second straight year. The Spartans had only one senior but were well disciplined and extremely talented. They also had the benefit of one of the best coaches anywhere in Mr. Richard Barton. Junior captain Hilary Anderson reaped yet another honor as she was named to the Globe All-Scholastic team. The Spartans have the makings of a dynasty, and we wish them well in the future.

Although the season could hardly have been called successful, the football Spartans proved that they had the desire to win. The team showed spirit guts, and determination, even while facing lopsided scores and teams that were far more talented than they were. If in defeat Stoneham was noble, in victory they were even better. At these times the team was able to showcase its talents; featuring the excellent running game that was its bread and butter. It was a tough season for a tough team· and one the players should be proud of.

Perhaps one of the better teams in Stoneham Field Hockey history had a successful Middlesex League season thos year. The Spartans didn't have a lot of outstanding ability, but they worked together to form an efficient, cohesive unit. Although they did suffer defeats, the team always came back to win again. The result of this fine effort was the promise of a playoff berth. Going into the last game, the team needed to win to be invited to the tournament. Unfortunately, the Spartans could manage only a tie· a heartbreaking end to a great season.

The Stoneham Soccer Spartans suffered through a season that was disappointing at best in the win-loss column. Their play and attitude, however, could never cause embarrassment as it was exemplary. The team never gave up and always hustled until the bitter end. This was not an all-star team, but it was a hardworking team that made the best of its talents. The Spartans were simply outplayed by their more talented opponents, but maybe the Spartans were just unlucky, too. The team was better than its final record, and a credit to the school.

The Spartans had to overcome many obstacles in the course of the season, but they proved their mettle by giving 110 percent every game. This effort paid off at the end of the season as Stoneham finished up with a flurry of victories.

It was truly a rebuilding year for the Spartans. Only four varsity players returned to lead the inexperienced team. Although their record was disappointing, Stoneham showed flashes of great competitiveness, and, losing only one player to graduation, should move up in the win-loss column next year.

Also returning to Middlesex winter competition after an absence of many years, the Lady Spartans suffered from a lack of experience. They did not, however, suffer from a lack of numbers (many junior high athletes contributed to the team), or of talent. Many individual stars promise to emerge in the future to make this team a competitor.

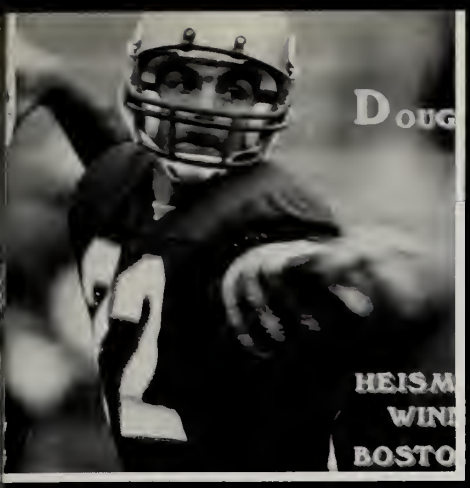
THE YEAR

The ghost of 1984 and the terror of Big Brother has past, and 1985 is now upon us. The memory of the past year lingers however, as the newly released film version of the Orwell novel reminds us that the threat of anarchy and suppression in our society could easliy become a reality. For Stoneham High School, our last year has been one of change as we said good-bye to the old and hello to the new. Mr. Hoyt moved on in his career leaving us in the hands of a new Principal and Vice-principal under the guidance of the infamous Mr. Rowell. Not only has there been a change of faces, but also a new barrage of policy changes accompanied by a stricter compliance to the old rules.

Boston made national news when Ronald Reagan came to capture the liberal vote of Massachusetts. Barriers were put up to protect the President as the ranks of the liberal opposition began to outnumber his supporters.

Campaign '84 was one marked by historical firsts and controversy. The Democratic Party made political history with Geraldine Ferraro's nomination to be the running mate of 'flamboyant' Walter Mondale. Jesse Jackson, the only black candidate in the race for the Presidency, provided one of the high points of the Democratic Convention with a rousing speech which moved all who heard it. The political year came to an end with a landslide victory by Ronald Reagan and the Republican Party who have worked to change the course of America.

The summer of 1984 marked a rising sense of pride in America. There was a nationwide campaign to give the Statue of Liberty, long a symbol of freedom and hope, a new face with which to greet the multitudes who swarm to see her. In Washington, the horror of the Vietnam war was finally put to rest as a statue, dedicated to those who survived, was erected opposite the memorial of those who did not. The memorials will always stand to remind us of the wrongs that were committed and the debt we owe to all the veterans which can never be repaid.



IN REVIEW

During the hot summer months the United States was proud to be the host to the world as the 1984 Summer Olympics were held in Los Angeles. Those American athletes who missed their moment of potential glory in 1980 were given one last chance for a golden moment. Though the event was somewhat marred by the absence of Soviet Block countries, there was still an overwhelming spirit of sportsmanship among the athletes, many of whom were sorry to see the event come to a close.

In world events, the Nobel Peace Prize was awarded to Bishop Desmond Tutu of South Africa. Bishop Tutu was finally recognized by the Western powers as a great leader and spokesman against the apartheid government of South Africa. Ironically, American businesses continue to invest in this oppressive regime, keeping its economy stable and allowing its fascist leaders to continue in its exploitation of the black worker.

In India, President Indira Ghandi was assassinated by members of the Sikh religious faction. They claimed she had ordered the invasion of their most sacred temple, killing some of their leaders. For years she had been unable to come to terms with their religious and political leaders.

Ethiopia's media coverage reached its climax in the waning months of 1984. Although the world gave generously to try to help the starving nation, the situation only worsens. A growing population coupled with a damaging drought have made more long-range solutions necessary. Perhaps the most touching act related to this situation was the generous outpouring by the music community who banded together to raise not only funds but the conscience of the world.

With 1984 behind us it is time to face the tomorrows of 1985. We go forward to build our future and that of the world, with the memory of the yesterdays and all of their joys and sorrows fresh in our hearts and minds. To the Class of 1985, Good Luck and Godspeed.
